

Survey of Arts, Culture and Heritage Commission (ACHC) Draft Recommendations

The City of Wilsonville seeks public feedback until Monday, Nov. 8, on recommendations on issues for resolution of formation of the proposed Arts, Culture and Heritage Commission (ACHC) as documented in the Summary of 2021 Municipalities Research and Draft Recommendations, October 20, 2021.

Forming an Arts, Culture and Heritage Commission was called for by the Arts, Culture and Heritage Strategy (ACHS) adopted by the City Council in November 2020.

1. Do you agree with the recommendation to name the proposed commission as the Arts, Culture and Heritage Commission?

RECOMMENDATION: Per the 2020 ACHS, form a municipal Arts, Culture and Heritage Commission:

Most municipal bodies that oversee arts and cultural activities and events are named a “Commission” and often include “Arts” and “Culture” as part of the name.

To avoid confusion with the Wilsonville Arts & Cultural Council (WA&CC), recognize the importance of heritage and provide a direct tie to the guiding document ACHS, recommend to name the City of Wilsonville body as the Arts, Culture and Heritage Commission (ACHC).

Additionally, recommend that the current but inactive City Heritage Tree Committee be made a subcommittee of the Arts, Culture and Heritage Commission. Related, the bylaws would allow the Commission to form subcommittees that may focus on particular issue or topic.

2. Do you agree with the recommended Purpose of the Arts, Culture and Heritage Commission?

RECOMMENDATION: Per the 2020 ACHS, use concepts and terms in the ACHS to describe the purpose or mission of the new Commission. The proposed Purpose below is modeled after the Tourism Promotion Committee bylaws. Note that the ACHS p. 47 recommended that the current Community Tourism Matching Grant Program be transferred from the Tourism Promotion Committee to the new Commission that better aligns the grant program with the actual usage. Proposed language follows:

“Purpose: The Arts, Culture and Heritage Commission has three primary purposes:

“A. The Commission oversees implementation of the Arts, Culture and Heritage Strategy (ACHS) and is charged specifically to develop a larger Five-Year Action Plan and annual One-Year Implementation Plans for prioritizing and fulfilling recommendations of the ACHS to the City Council for approval.

“B. The Commission makes recommendations to the City Council to provide public-sector leadership and coordination to support arts, culture and heritage facilities, programs and events; to improve inter-governmental collaboration and coordination to advance arts, culture and heritage; to work with partners to advance an arts and cultural center/facility; to develop a long-term, sustainable public-arts program; to suggest ways to make cultural diversity and ethnic inclusivity a priority for cultural programs; to provide strategic assistance with Wilsonville cultural non-profits in order to build organizational capacity; and to identify sustainable funding mechanisms to support arts, culture and heritage.

“C. The Commission makes recommendations to the City Council concerning the selection and disbursement funds of the former Community Tourism Matching Grant Program to a renamed Community Cultural Events Matching Grant Program that supports programs and events featuring arts, culture and heritage benefiting the community.”

NOTES on Purpose Recommendations:

Item A is designed to help keep the Commission focused on implementing the Council-adopted goals and objectives of the ACHS.

Item B provides an itemization of the actual Recommendations listed near verbatim in the ACHS.

Item C addresses the ACHS Recommendation p. 47 that the new Commission oversee administration of the current Community Tourism Matching Grant Program to the Commission as the Community Cultural Events Matching Grant Program. The recommendation is to better align the name of the grant program and the actual purpose and usage, which historically has been to fund community cultural events and programs. See also below item 11. Grant-making Programs.

3. Do you agree with the recommendation for a 9-member Arts, Culture and Heritage Commission?

RECOMMENDATION: A 9-member Commission would provide for a 5-member quorum to conduct business, and while a somewhat large number of commission members by City board-and-commission standards (5-7 being the average number of members), this size of commission allows City Council to appoint members with a wide range of skills, background and interests, including non-residents who view Wilsonville as their “home” community.

Since this body will be a funding-recommendation body to the City Council, a majority of members would be required to be City residents (see Recommendation 7).

Do not recommend having members that are to represent constituencies such as particular arts discipline or other specific groups; rather encourage a diverse set of members who advocate for what is best for the community as a whole in a way that recognizes and honors diversity. Such a structure provides Mayor and City Council with maximum flexibility to appoint members whom the City’s leadership believe can serve the community best.

Based upon the significant community interest in the ACHS process that resulted in the largest volunteer task force in City history with 42 members, the Commission likely will be popular to serve on. Allowing non-residents to serve further widens the pool of potential volunteers who may serve.

See Item 9. Commission Members Requirements/Qualifications below for additional considerations in recommending desired qualities of commissioners.

4. Do you agree with recommendation for 3-year terms of office for Commission members?

RECOMMENDATION: Terms of 3 years per commissioner, with the initial set of commission positions having staggered term lengths: 3 members with 1-year term, 3 members with 2-year terms, and 3 members with 3-year terms.

- Yes
- No
- Comment (please specify)

5. Do you agree with the recommendation for term limits of commission members to 2 consecutive 3-year-terms?

RECOMMENDATION: Term limits of 2 consecutive terms that would equate to 6 years of public service. A commissioner would need to wait 1 year prior to being appointed again to the Commission.

- Yes
- No
- Comment (please specify)

6. Do you agree with the recommendation for a minimum number of 5 residents required to be members of the Arts, Culture and Heritage Commission?

RECOMMENDATION: At least 5 of the 9 members of the commission shall reside inside the city limits. As a body that recommends the expenditure of City-collected taxpayer funds, a majority of city residents is recommended.

However, many area residents who may live (currently) outside of Wilsonville view Wilsonville as their “home” community for socializing, shopping, conducting business, etc. The community benefits when engaged and motivated supporters seek to improve arts, culture and heritage programming and events. Many of Wilsonville’s primary arts, culture and heritage supporters and organizers/producers live outside of Wilsonville; however, their time and talents benefit the Wilsonville community.

Note that the Planning Commission may have two nonresidents, and the Tourism Promotion Committee does not have a residency requirement; only a nexus with Wilsonville through residency or business affiliation.

7. Do you agree with the recommendation for certain ex-officio (non-voting) advisory positions on the Arts, Culture and Heritage Commission?

RECOMMENDATION: Similar to the Tourism Promotion Committee, recommend that a City Council member and a City Director or designee of each key City department be appointed to serve in an ex-officio fashion to advise the Commission. The City has found this kind of ex-officio structure has worked well for the somewhat new Tourism Promotion Committee to provide advice on what is realistic before the Council or capable of staff to produce.

The ACHS identifies 3 primary City departments engaged in arts, culture and heritage activities. The ACHS also recommends advancing a public-arts program that implies public installations of significant artworks. Thus, the implementation of a public-arts program that could require City planning activities and occupy public right-of-way provides for consideration of 2 additional City departments to be named as ex-officio members. In lieu of naming these 2 additional departments, City staff would seek advice from the relative department when needed.

Thus, the Commission would have 4 or 6 ex-officio members whose purpose is to advise the Commission:

Recommended:

- A City Councilor, appointed by the Mayor with Council confirmation
- City Manager or designee (Administration Dept.)
- Library Director or designee
- Parks and Recreation Director or designee

Additional Consideration:

- Community Development Director or designee
- Public Works Director or designee

8. Do you agree with the recommendation for Arts, Culture and Heritage Commission members requirements or qualifications?

RECOMMENDATION: Based on experience from Hillsboro and Beaverton, seek to guarantee youth voices, a good spread across culture/arts/heritage stakeholders, and representatives from under-represented groups (people of color, perhaps lgbqt, etc.) that is in-line with Wilsonville's DEI direction/committee.

Recommend listing the kinds of qualities desired of Commission members. Suggest language similar to the following for the Commission by-laws:

“Commissioners shall be community members with knowledge and experience in arts, culture and heritage who participate in or support arts, culture or heritage activities, and includes artists, business professionals, youth, and those with experience relevant to the purpose of the Commission. Members are not appointed to represent specific constituencies, but to act on behalf of the entire community.”

9. Do you agree with the recommendation for Arts, Culture and Heritage Commission appointment process?

RECOMMENDATION: For Commission members' appointment, follow the standard City procedure of Mayor appoints commissioners and City Council confirms appointment. The Commission elects Chair and Vice Chair at the first meeting the fiscal year.

Commissioners are generally deemed to have effectively resigned from the Commission when missing three consecutive meetings without a prior-arranged excuse with the Chair or Vice-Chair. The Mayor may remove a Commission member with City Council concurrence.

10. Do you agree with the recommendation for Arts, Culture and Heritage Commission grant-making programs?

RECOMMENDATION: Above Item 3. Purpose/Authority/Mission and Duties/Tasks, recommended, based on ACHS Recommendation p. 47, that the new Commission oversee administration of the Community Tourism Matching Grant Program currently overseen by the Tourism Promotion Committee. The recommendation is to transfer oversight of the grant program from the Tourism Promotion Committee to the Commission and to rename as the Community Cultural Events Matching Grant Program to better align the name of the grant program and the actual purpose and usage, which historically has been to fund community cultural events and programs.

The Tourism Promotion Committee is fine with this recommendation since the committee's focus is marketing Wilsonville as a destination to visitors over 50 miles away (per Oregon law), rather than focusing on community events, which are one component of many attractions marketed to visitors. Thus, the Tourism Promotion Committee's primary attention is on the three-year-long tourism promotion and destination marketing agency contract.

The ACHS recommends that the 25-year-old Community Tourism Matching Grant Program be reexamined and updated as may be needed, including consideration of a potential increase in the amount of the grant fund that has remained constant since inception. This task would be left for the Commission to undertake as a priority ACHS recommendation to consider and advance to the City Council.

The ACHS also envisions a new public-art program of an undefined nature, but often includes acquisition of art for public display and support for performing arts.

The Commission Bylaws would need to provide for a conflict-of-interest provision that requires commissioners who may personally benefit or professionally benefit as a board member or staff member of a party applying for a grant to recuse that commissioner from voting on the grant application. However, this provision would not infringe on the rights of the commissioner to address aspects of the grant application to the Commission.

11. Do you agree with the recommendation regarding frequency of Arts, Culture and Heritage Commission meetings?

RECOMMENDATION: Rather than dictate a schedule or quantity of meetings for the Commission, the recommendation is to set a floor for the number of meetings to be held during the course of the fiscal year, similar to the Tourism Promotion Committee. Like the Tourism Promotion Committee members, the Commission may find that certain times of the year, such as the Thanksgiving-New Year's holidays period and eventful summer months, preclude the ability for members to meet. The Tourism Promotion Committee, which is to meet a minimum of 4 times per fiscal year (quarterly meetings), has on average conducted 5 meetings per fiscal year.

The recommendation is to use language such as (assuming 9 voting commission members):

“The Commission shall meet a minimum of four (4) meetings per fiscal year. A meeting of the Commission may be held without a quorum; however, a quorum of at least five (5) voting members is required in order for the Committee to vote on any matter.”

12. Do you agree with the recommendation for annual budget and revenue sources?

RECOMMENDATION: The Commission is charged by the 2020 ACHS Recommendation 8. Improve and create sustainable funding mechanisms to support cultural activities, events and programs. ACHS pp. 64-67 lists a number of potential public and private sources of funds to support arts, culture and heritage activities that could be examined by the Commission. As indicated in proposed Purpose language above in Item 3. Purpose/Authority/Mission and Duties/Tasks, the Commission would examine potential funding sources and make a recommendation to City Council for consideration.

- Yes
- No
- Comment (please specify)

13. Do you agree with the recommended scope of arts and culture programming and operations for the Arts, Culture and Heritage Commission?

RECOMMENDATION: The Commission is charged by several 2020 ACHS recommendations to advise the City Council on arts and culture programming and operations:

Recommendation 3. Provide strategic assistance to Wilsonville cultural nonprofits in order to build organizational capacity.

Recommendation 5. Improve inter-governmental collaboration and coordination to advance arts, culture, and heritage.

Recommendation 6. Develop a long-term, sustainable public art program.

Recommendation 7. The City works with partners to advance an arts and cultural center/facility.

As indicated in proposed Purpose language above in Item 3. Purpose/Authority/Mission and Duties/Tasks, the Commission would examine potential arts and culture programming and operations options and make recommendations to City Council for consideration.

- Yes
- No
- Comment (please specify)

14. Do you agree with the recommendation for the department that the Arts, Culture and Heritage Commission resides in?

RECOMMENDATION: The 2020 ACHS Recommendation 4. City forms an Arts and Culture Commission and provides supporting staffing resource, p. 59, notes that Library, Parks and Recreation Department and the Administration Department could be the primary department overseeing arts and culture programming, events and facilities.

Given that the Parks and Recreation Advisory Board, Tourism Promotion Committee, Kitakata Sister City Advisory Board and the nonprofit Korean War Memorial Foundation of Oregon are all part of or affiliated with the Parks and Recreation Department, the recommendation is to house the Commission in the Parks and Recreation Department.

Most of the community's primary arts and cultural events occur in City parks and facilities, especially Town Center Park, that are operated by the Parks and Recreation Department. Additionally, the Parks and Recreation Department has overseen the Community Tourism Matching Grant Program (proposed to be modified as the Community Cultural Events Matching Grant Program) for the past 25 years, first under the supervision of the Parks and Recreation Advisory Board and later for the past 5 years by the Tourism Promotion Committee.

- Yes

15. Do you support the recommendation for department staff that support the Arts, Culture and Heritage Commission?

RECOMMENDATION: The 2020 ACHS Recommendation 4. City forms an Arts and Culture Commission and provides supporting staffing resource, ACHS pp. 56-58, notes:

In order to propel the work of the Arts and Culture Commission, the City should consider creating a fulltime position that could also work with the City's Tourism Promotion Committee and program... A full-time staff person dedicated to tourism and cultural affairs would allow the City to develop greater expertise, networking connections and dedicated work product to advance an integrated tourism and cultural affairs program. Thus, the Tourism and Cultural Affairs Coordinator would staff both the Tourism Promotion Committee and the Arts and Culture Commission.

Thus, the recommendation is for existing staff of the Parks and Recreation Department to support the Commission with assistance from Library and Administration Department staff during the initial formation period. Additionally, recommend to consider budgeting for subsequent fiscal year for Tourism and Cultural Affairs Coordinator position in the Parks and Recreation Department, per ACHS Recommendation 4, to staff the Commission, Tourism Promotion Committee and Kitakata Sister City Advisory Board and work with the Korean War Memorial Foundation of Oregon.

1	I understand the interest in getting broad representation; however, I am concerned that stakeholders in the arts, culture and heritage communities in Wilsonville will continue to feel marginalized by a commission not representative of their efforts for the community.	11/8/2021 9:59 AM
2	I think 12 people will make it possible for more of the city's minority residents to participate and share their thoughts.	10/29/2021 4:30 PM
3	I support 9 members if that will include a diverse group of members, diverse in ethnicity, faith, and inclusive of other historically marginalized communities. Much of our community events, displays, etc. are centered around the traditions of one faith. For example, the city only has Christmas-themed displays around town in the winter. Why not for Diwali, Hanukkah, Eid al-Fitr, or Chinese New Year? If nine members are to be involved it should include those whose faith, customs, or culture are not traditionally recognized and celebrated by our city.	10/29/2021 10:17 AM

3	I understand the premise. I still feel unsure. I think for our community to have buy-in on expanding events supporting diverse cultural and diverse heritage, the voices making those recommendations should be our neighbors. 1	Parks & Rec is a very good option, but the Library is perhaps a better option. The library staff has a closer relationship with cultural non-profits like the Boones Ferry Historical Society, and Wilsonville Stage, has expertise in and works daily with vital cultural mediums (literature especially, but also film, music, and more), employs published authors, displays both permanent and rotating artwork exhibitions, is experienced in navigating sensitive subjects (censorship, for example), and in normal times functions as a popular venue for both meetings and performances.	11/8/2021 10:43 AM

3	I agree for the most part. My one concern is that I think ACHC should be under the Library.	11/8/2021 9:59 AM
4	Yes, create the position, but under the Library instead of Parks & Rec. Similar to above response, while Parks & Rec is a very good option, the Library may be a better option. Also, it is not clear here how exactly a staff person would be directed to prioritize between Tourism and Cultural Affairs goals. There is obviously an overlap between the two areas, but they seem to be serving two different audiences: residents vs. non-residents. While Cultural Affairs is clearly focusing on enhancing local culture (which will in turn naturally make the city more attractive as a tourism destination), it is easy to imagine efforts focused on Tourism directing more resources towards marketing than to underlying cultural substance. It might work out, but it might also be problematic. What makes it necessary to tie these two different focuses together right now?	11/8/2021 1:00 AM
5	I would support additional funding for a full-time staff person if the Commission truly seeks to promote diversity and inclusion in its cultural and heritage-related planning and events.	10/29/2021 10:17 AM
