Subject: Aurora Airport

Dear City of Wilsonville,

I want to write and express my strong support for the runway lengthening for the substantial increase in safety it will provide not only to all the aircraft operating at the Aurora Airport but to the surrounding area as well.

Additional as our two-pilot family lives in Charboneau and our businesses are based at the Aurora Airport, we strongly support the Aurora Airport in general, the asset it is to General Aviation and State infrastructure, the living wage jobs it supports and the critical emergency hub it provides in case of natural or man made disasters.

Thank you for proving this forum and opportunity to comment on this important issue.

**Sincerely,
Lisa Hand**
